

Provisional Programme  
“The Joy and Pain of Structural Biology Research”  
Monday December 18<sup>th</sup>, 2017  
Pippard Lecture Theatre  
Cavendish Laboratory, University of Cambridge

9:00 – 10:30	Registration and coffee/tea
10:30	Welcome
10:40	Professor Malcolm Longair, Cavendish Laboratory University of Cambridge
11:15	Professor Judith Howard, Department of Chemistry Durham University
11:40	Sir Tom Blundell, Department of Biochemistry University of Cambridge
12:15-1:30	Lunch
1:30	Professor Randy Read, Department of Haematology University of Cambridge
2:05	Dr. Pamela Williams, Astex Pharmaceuticals, Cambridge
2:40	Dr. Ben Bax, York Structural Biology Laboratory
3:15 – 4:00	Tea/coffee
4:00	Professor Janet Thornton, European Bioinformatics Institute, Hinxton
4:35	Dr. Richard Henderson, MRC Laboratory of Molecular Biology, Cambridge
5:10	Closing Remarks
5:15	Reception
